

LILYROSE CHILDREN SOCIETY BOARD MEMBERS AND CHILDREN BIO DATA

WHO WE ARE

We are a volunteer-based, grass roots organization that works globally to support the most vulnerable of our human family: impoverished, orphaned children.

OUR MISSION

To raise funds to help vulnerable children overcome poverty

To improve access to good informal education

To improve access to better health

To give access to clean water in some areas

To reduce child abuse

To promote women liberation and rights

The Lily Rose Children's Society was created in 2020 and was certified as a nonprofit society in 2021

WHAT WE DO

During our first outreach program we paired up with two orphanages in Uganda the heart of the father orphanage based in Kampala and genesis of hope ministries in eastern Uganda now known as lily rose orphanage ,since then we have expanded our mission to some parts of northern India providing shoes and supporting widows in Kenya and their children

MEET SOME OF OUR CHILDREN BEING SPONSERD BY LILYROSE

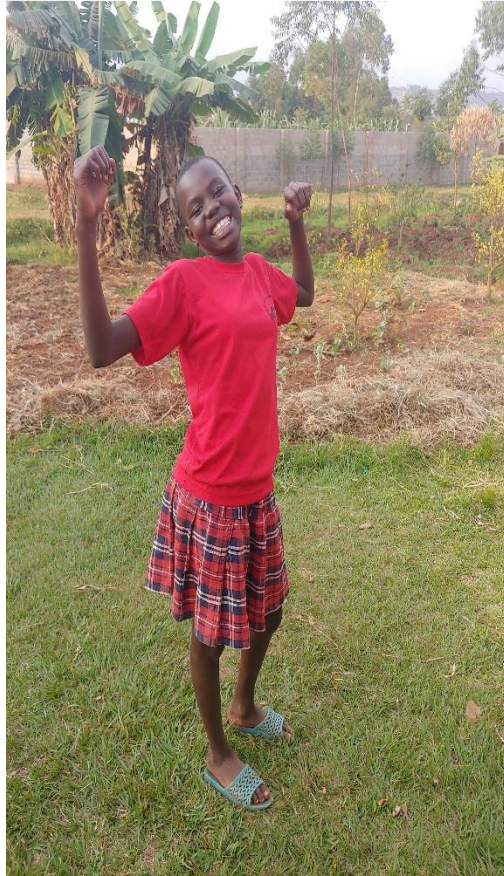

BRIEF CHILD BACKGROUND.

Faith is a charming young intelligent girl in the home, she was staying with the uncle but she faced a lot child abuse, being denied what to eat, denied education subjected huge domestic work faiths life was in great danger her immediate solution was to run away from her home. Preaching on the streets on soroti GOHM team across her and tried to relocate her family consulting local authorities who later directed us to her home. GOHM put so much effort to ensure her present family would give her the needs any child would have however the teams effort was useless as she was still facing several kinds of child abuse. With heartfelt sadness the team reach a consent with by then care takers of faith and she was brought to GOHM children's. She a very intelligent young beautiful life

BRIEF CHILD BACKGROUND.

Jesse is a jolly young boy, he was born with the Downsyndrom and this made him feel bad as he couldn't make any friends as they feared him. Jesse used to stay with his mother though she couldn't afford to provide for the needs of Jesse and the young gentleman had developed stigma about his health condition. He joined GOHM home as a play mate to the other children at the home where he felt he was loved and cared for. Eventually her mother saw the change GOHM had brought to the life of her child and she consented Jesse to become a child of genesis of hope. AS team we continue to look for more support to ensure that Jesse's life changes and grows more in wisdom, health and body. To see home grow into leader and a responsible citizen, to be that example that disability is not inability, to be courage to many that have the similar condition as he. At genesis of hope we love children of all kinds, he is currently healthy and happy at GOHM home in jinja.

Joselin comes from Pauma village in Apac district, one of the war-torn areas where many people were killed during the war, including the destruction of their homes. She was staying with her foster father, who responded to take care of her, but she was physically mistreated at home, making her run away. She ended up in Lira town, where she stayed on the streets for three months until Bonney Odongo met her one day and took the responsibility of making her join GOHM. She is currently well.

BRIEF CHILD BACKGROUND.

Flora whose routes are from Tororo district in Eastern Uganda she has a single mother called Margret struggling mother who hard three children. Life was so challenging on her side in raising the children. GOHM team visited her several times during its evangelism activities to pray with the family and encourage the family. Due to endless hardship the mother was going through, GOHM heartfelt the burden the mother of three had, the organization extended help to her two children who later become children in the home where they could access the basic needs as we continued to find means of empowering her mother.
